

Membership & Player Registration

2026 - 27

Dear Members, Players and Parents,

The 2026/27 season is now well underway and it has been fantastic to see the club busy again, with players of all ages back out on the pitches.

We would now like to ask everyone who has not yet done so to purchase their Stamford Rugby Club membership for the 2026/27 season as soon as possible.

Now is the time to complete your membership

Stamford Rugby Club is a Community Amateur Sports Club and, as part of our RFU affiliation, we are a members' club. Membership fees are an important source of income and help towards the costs of providing rugby, maintaining our facilities and running the club throughout the season.

We offer a range of playing and non-playing membership options, so whether you are a player, parent, volunteer, supporter or simply want to remain part of the Stamford Rugby community, there is a membership option available.

If you haven't yet purchased yours, please take a few minutes to do so now.

For anyone wishing to pay by instalments, please remember that your membership and instalment plan must be set up by 30 September. After this date, the option to pay by instalments will no longer be available.

Players – don't forget Player Registration

For all players, purchasing club membership is only one part of the process.

You must also ensure that your RFU Player Registration for Stamford Rugby Club has been completed.

Players must be correctly registered before they are permitted to play in matches, so please don't wait until the day of a fixture to check this.

For our Age Grade players, parents/carers should also ensure their child's registration is complete.

Membership & Player Registration

2026 - 27

What do I need to do?

If you haven't already, please:

- Purchase the appropriate 2026/27 Stamford Rugby Club Membership.
- If you are a player, complete your RFU Player Registration.
- Check that the details held for you/your child are correct.

We have attached instructions for completing Club Membership and Player Registration to help guide you through the process.

If you've already completed everything – thank you! There is nothing further you need to do.

Getting memberships and registrations completed promptly makes a huge difference to our Team Managers and volunteers behind the scenes. It reduces the amount of administration and chasing they need to do and allows everyone to concentrate on supporting rugby across the club.

Thank You

Thank you for your continued support of Stamford Rugby Club, particularly during this very special 125th anniversary season.

Every membership helps support the club and enables us to continue providing rugby for our members and our wider community.

Please complete your membership – and, for players, your Player Registration – as soon as possible.
